## Novartis

Architect: The Hillier Group

In January 2003, TSI completed a 350 seat installation at Novartis Pharmaceuticals Corporation in East Hanover, NJ. Novartis Pharmaceuticals was established in 1996 to serve as the U.S. affiliate of Swiss-based Novartis AG, a world leader in healthcare that employs 70,000 people in more than 140 countries.

The architects of Hillier Group chose Teatro C1 chairs for the Novartis headquarters in East Hanover. The seats and backs are fully upholstered in rosemary fabric, and the wood elements (including outer back veneer, end panels, tablets, and armrests) are clear anigre.

Included in the contract:

- 350 Teatro C1 Chairs
- 16 Removable Chairs
- Right & Left-Handed Tablet Arms
- End Panels in Anigre with Matching Armrests
- Seat and Row Identification Plates
- ADA Frames
